For Immediate Release: January 22, 2015

A New Name, A New Logo, and A New Meeting Date!

The Harrods Creek Watershed Project is now the Harrods Creek Alliance. On Feb 12 at the Oldham County Fiscal Court, the new logo and water quality results will be presented.

Oldham County, KY – The Harrods Creek Watershed team has selected a new name: the Harrods Creek Alliance! The group has also selected a logo, created by Windham Designs, which features the iconic Great Blue Heron that so loves the creek.

Join the Harrods Creek Alliance on Wednesday, February 12th at 3 PM for a meeting at the Oldham County Fiscal Court in La Grange. The topic will be water quality data from the headwaters area of the creek. Dr. Robert Johnson will report the results of the water quality and habitat sampling conducted by Eco-Tech Consulting in September and October 2014. Everyone is welcome.

To learn more about the project, or if you're interested in getting involved, contact Tessa Edelen at tessa@kwalliance.org or (502) 589-8008. Visit the project webpage: www.HarrodsCreek.org
